

Miami-Dade CPS

Summer Reading with Freckle

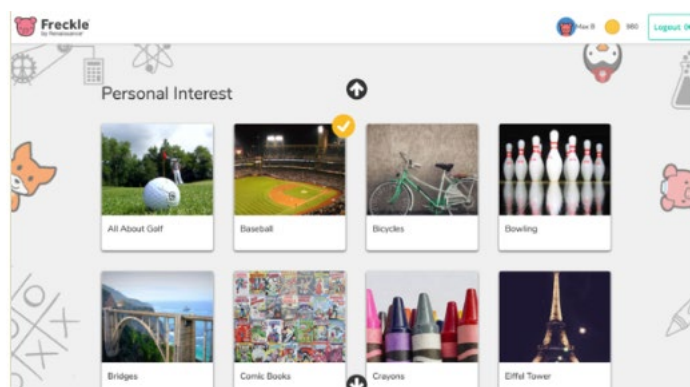

Dear Families,

We are excited to share that M-DCPS is offering **all students in grades K-5** access to Freckle ELA to increase student growth and proficiency throughout the summer. This program is available through July 31, 2025.

Freckle is an online practice program that continuously challenges your student while also adapting to their learning levels. Freckle also offers incentives and provides a balance of fun and learning.

Having **at-home support** is an essential part of making sure your student has a successful year. Research shows that students perform better when families are actively involved in the learning process. Here are a few ways you can support and encourage your student:

- Challenge your student to work on Freckle **at least** 10 minutes three or more times per week.
- Talk with your student about their Freckle assignment after they complete it. Ask them **what they learned** and what they were **most excited** about.
- Monitor your student's progress in Freckle by viewing the **Report Card** found in the **Backpack** of their dashboard.

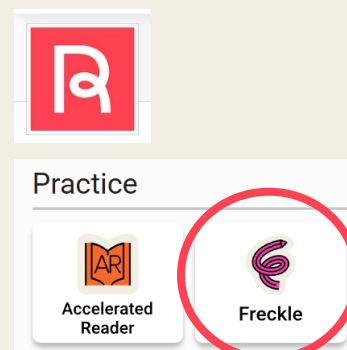

With support and encouragement from you, Freckle can help your student stay motivated and engaged throughout the summer break

Use Freckle at home or on the go!

How to Login to Freckle:

1. Look for the Renaissance tile in Schoology or Clever.
2. Click the Freckle button (right next to Accelerated Reader)
